Dear Honey and Me, Inc. Partners,

We're happy to announce the decision to further support our brick-and-mortar, independent retailers and home-based businesses.

Effective January 1, 2018, we no longer fulfill orders for sellers who resell our products on third party vendor websites (i.e. Amazon, E-bay and Rakuten). This change will protect the best interests of our customers and the integrity of the Honey and Me, Inc. brand.

Current customers may sell through their in-stock inventory, but all future sales on such third party sites will be hosted through an exclusive distributor to ensure brand and pricing integrity across all platforms. This will help to create a competitive marketplace for our customers. We apologize for any inconvenience this policy may cause.

Thank you,
Lisa Liffick
Co-Owner
Honey and Me, Inc.

Did you know?
All of our NEW
products begin with
a letter indicating the season
and "20" representing
the year the item is introduced.
